We present a gem of a property in Parque de la Reina - an environment of serenity and peace. This charming detached house is located in an extremely quiet location, only 10 minutes' drive from Los Cristianos, providing the perfect combination of tranquillity and accessibility to urban life.

A distinctive feature of this property is its proximity to a newly opened school, making it an ideal choice for families looking for a close and quality educational environment for their children.

The house is developed over 2 floors, offering a distribution that prioritises space and functionality. On the first floor, there is a spacious living room that invites relaxation and conviviality. A toilet on this floor adds comfort for your guests. The kitchen is separate and fully equipped. In addition, a pantry complements the kitchen, offering a practical space for organised storage.

The first floor houses 3 bedrooms that guarantee a good night's sleep. Two full bathrooms ensure comfort and privacy for the whole family. But the highlight of this floor is the covered terrace, a versatile extension that can be used as an additional guest bedroom, a spacious dressing room or even as a serene and focused workspace.

The exterior of the house is an invitation to outdoor living. Surrounded by a lush garden with natural grass, you will find a perfect space for family games, relaxing moments in the sun or al fresco dining. A barbecue completes the ambience, allowing you to enjoy delicious barbecues in a private setting.
